What are two most Bashed Christmas items?

WISHING YOU THE MERRIEST CHRISTMAS
IN '64 & A REWARDING 1965 NEW YEAR
 Also Reporting our Family's Blessings
 of the Past and Coming Months
 (from your usual correspondent)

With our sincere good wishes to you and yours for this and the coming year, we happily and thankfully present news of the Pleasantville Nettletons as a few words from Our Sponsor, The Giver of All Good Gifts:

During the summer George was a unit leader at the Westchester County Recreation Camps, Croton-on-Hudson, for the third season, a year beyond his father's tenure in the same position.

Edith and Leon went South--camped in the Great Smokies and at Mammoth Cave; saw Lincoln's birthplace and former homes of Henry Clay and Stephen Foster; spent a week at the House of Blessing in Hamilton Va., toured TVA, found burrs of still-maturing American Chestnuts in George

Washington National Forest and took the top-stremuous "wilderness hike" at Cade's Cove in the Smokies. A few local items:

Edith--elected President of the Pleasantville Area United Church Council for a two-year term. Church work; evening school teaching; County Chairman of Home Demonstration's Family Life Program in the Extension Service.

Leon--after two years as President of Saw Mill River Audubon Society Inc., now its Chairman of the Board. PHS 9th grade and evening school teaching; music groups, a little amateur astronomy.

George--B.A., University State College at New Paltz in June. Teaching 7th grade social studies, Wappingers Falls Junior High School and doing graduate work at New Paltz. Engagement to Miss Ruth Hagedorn, New Paltz student and kindergarten teacher in Newburgh Public Schools, announced Thanksgiving Day by her parents at their home in Hollis, N.Y.

CREATE AMAZING CHARTS USING GENELINES TIMELINE SOFTWARE

Using Genelines™ timeline software you can create **seven customizable timeline charts** that display your family history records in a refreshingly different way.

Buy Now

Genelines timeline charts are created from two sources:

- Your genealogy database, and
- World events timeline files from our extensive library, or custom created by you.

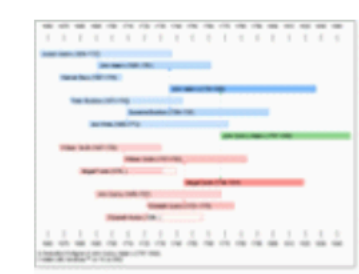

Use Timeline Charts to Tell Your Family Stories

By placing your family records against a backdrop of a world events timeline, you can tell amazing family stories in a powerful visual way that is not possible using your genealogy database software alone. Take a Genelines wall chart to your next family reunion and enjoy the excitement it generates!

Use Timeline Charts to Perfect Your Genealogy Research

Genelines timeline software does more than let you create colorful timeline charts: it is also a **powerful family research tool**. These timeline charts conveniently show you where you have duplicate, illogical or contradictory data, or where you have gaps that require further research.

You know how difficult it is to complete and validate historical profiles for your ancestors. Genelines timeline software can change all that. By comparing the lives of two or more people, or showing who was alive when
